Your Annual Billing Rights And Error Resolution

BILLING ERRORS

Electronic Funds Transfer (Reg E)

In case of errors or questions about electronic funds transfers from your share and share draft accounts or if you need more information about a transfer on the statement or receipt, telephone us at the following number or send us a written notice to the following address as soon as you can. We must hear from you no later than sixty (60) days after we sent the first statement on which the problem appears. Call us at:

(410) 663-2500

or write to:

Destinations Credit Union
8767 Satyr Hill Road
Baltimore, MD 21234
Fax: (410) 663-1950
www.destinationscu.org

- Tell us your name and account number.
- Describe the electronic transfer you are unsure about and explain as clearly as you can why you believe the Credit Union has made an error or why you need more information.
- Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will tell you the results of our investigation within ten (10)* business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45)** days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10)* business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account. We will tell you the results within three (3) business days of completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

* If you give notice of an error within thirty (30) days after you make the first deposit to your account, we will have twenty (20) business days instead of ten (10) business days.

** If you give notice of an error within thirty (30) days after you make the first deposit to your account, notice of an error involving a point of sale transaction, or notice of an error involving a transaction initiated outside the U.S. its possessions and territories, we will have ninety (90) days instead of forty-five (45) days to investigate.

NOTE: If the error you assert is an unauthorized MasterCard Debit transaction, other than a cash disbursement at an ATM, we will credit your account within five (5) business days unless we determine that the circumstances or your account history warrant a delay, in which case you will receive credit within ten (10) business days.

YOUR BILLING RIGHTS (Reg Z)

This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

Notify Us In Case of Errors or Questions About Your Bill

If you think your statement is incorrect, or if you need more information about a transaction on your

statement, write us at the return address shown on the front of your statement. Write to us as soon as possible. We must hear from you no later than 60 days after we sent you the first statement on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

- Your name and account number.
- The dollar amount of the suspected error.
- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are not sure about.

If you have authorized us to pay your credit card bill automatically from your savings or checking account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur.

Your Rights and Our Responsibilities After We Receive Your Written Notice

We must acknowledge your letter within 30 days, unless we have corrected the error by then. Within 90 days, we must either correct the error or explain why we believe the bill was correct.

After we receive your letter, we cannot try to collect any amount you question, or report you as delinquent. We can continue to bill you for the amount you question, including finance charges, and we can apply any unpaid amount against your credit limit. You do not have to pay any questioned amount while we are investigating, but you are still obligated to pay the parts of your bill that are not in question.

If we find that we made a mistake on your bill, you will not have to pay any finance charges related to any questioned amount. If we didn't make a mistake, you may have to pay finance charges, and you will have to make up any missed payments on the questioned amount. In either case, we will send you a statement of the amount you owe and the date that it is due.

If you fail to pay the amount that we think you owe, we may report you as delinquent. However, if our explanation does not satisfy you and you write to us within ten days telling us that you still refuse to pay, we must tell anyone we report you to that you have a question about your bill. And, we must tell you the name of anyone we reported you to. We must tell anyone we report you to that the matter has been settled between us when it finally is.

If we don't follow these rules, we can't collect the first \$50 of the questioned amount, even if your bill was correct.

Special Rule for Credit Card Purchases

If you have a problem with the quality of property or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the property or services. There are two limitations on this right:

- (a) You must have made the purchase in your home state or, if not within your home state, within 100 miles of your current mailing address; and (b) The purchase price must have been more than \$50.

These limitations do not apply if we own or operate the merchant, or if we mailed you the advertisement for the property or services.

Mobile App with Card Controls and Bill Payment!

Have you downloaded the mobile app yet? If not, go to the Play Store or App Store and download it today. In addition to the ability to check balances and transactions, transfer money and remotely deposit checks - now you can control your credit and debit card transaction notifications. You can set up to receive alerts for all transactions or refine your notifications (such as transactions over a certain amount). In addition, you may temporarily lock your card before reporting it lost or stolen. Temporarily locking the card is useful if you think you may locate the card, but want to protect yourself in the event it really is lost or stolen. To access these features, click on the "More" icon at the bottom of the screen, then click on "Manage My Cards."

If you are signed up for Bill Payment within Online Banking, the ability to pay bills from the app is also available. A new feature of bill pay on the app is that you can add new payees -- previously unavailable from within the app.
